

ONE RESULT OF A BACKWARD SEASON!

A MID-SEASON CLOTHING SALE

— OF STYLISH —

Men's and Boys' Suits and Top Coats

We have done a good business this season in the face of a backward spring, in fact the best spring business we have ever done, but we got a chance to make a startling purchase and took advantage of it.

We bought the entire output of COHN, FRANK & CO., of Buffalo, N. Y., at a less figure than the cost of the clothes. Mind this is not a case where qualities are cut down to lower prices, but where first-class, fine and fashionable garments had to be sacrificed for cash, and, you--you who will wear these goods--will get the benefit.
